

RICOH

WOMEN'S BRITISH OPEN

**Player Accommodation Guide
2017**

The 2017 Ricoh Women's British Open will be played at Kingsbarns Golf Links, on the Fife coast, Scotland. This is the first time the Open has been played over the undulating fairways of Kingsbarns, where players will enjoy spectacular views of the coast line from every hole. You can't but fall in love with this golf course on a summers day and we are sure you'll enjoy the challenging terrain.

Preferential rates have been negotiated with a number of local hotels, details of which can be found on the Ricoh Women's British Open website. Please note there is limited availability due to the popularity of St Andrews, the nearest town, during the summer season, so please book quickly to avoid disappointment.

All players can use the Ricoh Women's British Open Travel Service to book their accommodation. Please also note the same booking service is being used the for Aberdeen Assessment Management Ladies Scottish Open the week before.

To make a reservation, please email sales@itssotravel.com. Please note that reservations are not guaranteed until you receive the confirmation by return from the RWBO booking office.

Alternatively, you can contact the booking office by telephone on +44 (0) 1480 270370 to discuss availability

Please note most hotels are requesting a minimum of 7/8 nights stay. Any requests for less than 7/8 nights stay will return fewer hotels with availability. The Ricoh Women's British Open Travel Services team will check for any lower rates on offer at time of booking and the rates in this guide are subject to change at the hotels discretion.

Cancellation Policies - we would ask all Competitors to note the cancellation policy for each hotel.

We look forward to seeing you at the 2017 Ricoh Women's British Open Championship.

Ross Hallett
IMG Tournament Director
